Subject: CT Fair Housing Law -- Equal Protections for Landlords and Tenants

Honorable members of the Housing Committee:

My name is Rosanna Savoca and I fully support the concept of fair and equal housing opportunities for all.

However, I am upset after learning that anyone accused of violating the CT Fair Housing Law does not have equal protections under our current statutes that the accuser does and think this is "Unfair" and needs to be fixed.

I encourage you to vote in favor of **House Bill 5342** as it was originally intended and extend to owners the right to one appeal if they choose to have an administrative hearing as currently tenants have **unlimited** appeal rights (reconsideration) and owners have **none**.

I'm sure you will agree it is very important to treat all with equity and fairness, including landlords providing housing to Connecticut residents.

Please contact me if you wish to discuss this matter further.

Thank You

Rosanna Savoca
